COVID-19 Policy

We are requiring a COVID-19 release per guest including adults and minors, before you are allowed to participate at JVO. Please allow no less than 2 minutes per person in your group to finish this waiver, in addition to registration paperwork.

All documents must be complete and are contractual, therefore an adult must sign for all minors. We can not take walk-ins after the half hour.

No child under 14 or 100 lbs may paddle a solo kayak. No child under 16 may paddle a raft without a counselor, guardian, guide, or adult.
